# Being a Member has its advantages

**Membership in the Kentucky Restaurant Association (KRA) comes with a complete menu of benefits.**

## Local and national networking opportunities with customers and potential customers

This is one of the many benefits of Associate Membership. Social and educational meetings are held throughout the year. These gatherings allow our Restaurant Members to meet our Associate Members. How do you put a price on being able to meet and talk with people that need your business or people that are involved in the food industry as a purveyor or educator?

## Chapter and State Board of Directors

Elected by the members. Associate members may serve as Directors on both local chapter and State Boards.

## Annual Membership Directory

Free with KRA Membership. Lists all KRA Members, contacts, addresses and telephone numbers.

## The Kentucky Restaurant Journal

Published bi-monthly. The Journal presents news, industry trends and informative articles featuring KRA Members. With a circulation of over 5,000 foodservice and related operations, it is an excellent advertising showcase. *Our full color magazine offers KRA members a discount on advertising rates that reach over 20,000+ readers.*

## Information

On who's who in the industry and with legislators and regulatory agencies.

We can also assist you with any agency or regulatory questions you may have. Just call 502-896-0464 or 1-800-896-0414. If we can't answer right away, we'll research the information you need while protecting your confidentiality.

## Legislative Support

The KRA maintains a strong presence in Frankfort lobbying for the legislative decisions that will affect your bottom line. And representatives from the NRA voice your concerns in Washington, D.C. We speak out to lawmakers on ever-changing issues like restaurant taxes, smoking bans and minimum wage proposals. Our mission is to support, unite and represent all restaurant businesses in the Commonwealth of Kentucky.

## Professional Lobbyists

Who work for the foodservice industry and with legislators and regulatory agencies.

## ServSafe®

The KRA offers ServSafe® classes that cover a wide range of proper food handling material.

ServSafe® is a program that provides accurate, up-to-date information for all levels of employees.

## Free Required State and Federal Posters

We have all state and federally required posters free for members.

## Free Website Listings

Designed exclusively to search for our Associate Members. It brings Associate and Restaurant Members together.

## Member Discounts

ALL KRA members receive discounts on payroll and credit card processing. Many more discounts are available.

## Referrals

To restaurants looking for suppliers like you.

## The KRA Logo

May be displayed on your business letterhead, advertisements, trucks, etc. What better way to get in front of these potential clients than by letting them know you support their industry.

## Annual Events

The KRA has 3 annual events that all associate and restaurant members are offered opportunities to attend.

"A Day at the Races" at Churchill Downs brings pre-qualified restaurant owners, managers and chefs to view your tabletop display and be our guests for an afternoon of racing in the luxurious Jockey Club Suites! KRA members receive discounts on exhibit rates.

"Cuisine on the Green" allows members to play golf and we will treat you to a full day of lunch, beverages, dessert and a first class dinner.

The Restaurateur's Gala is a celebration of the best of the best in the industry. Enjoy fine dining, music and dancing and an awards ceremony honoring the industry.
